## CMP 7.2 PANEL

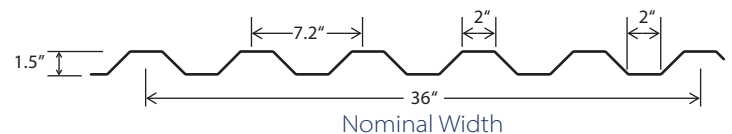

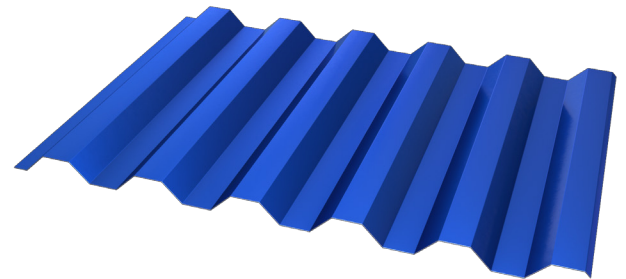

With its clean symmetrical design, the CMP 7.2 Wall Panel provides a great mix of architectural design with the industrial exposed fastener look. The panel gives 36" wide coverage and 1-1/2" rib height, with the ribs being 7.2" wide O.C. This panel can be installed horizontally or vertically allowing for design flexibility on your project.

## PANEL SPECIFICATIONS

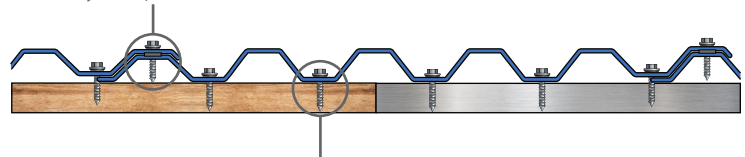

- Widths – 36" coverage
